Same-Day Appointments coming to Madison Area Health Center

MADISON – To better serve existing patients, Madison Area Health Center will offer same-day appointments starting Monday, June 19.

Patients of the health center will be able to call the front office in the morning and schedule a visit for that same day. By offering same-day appointments, wait time for routine appointments will be reduced and a greater number of patients can be scheduled each day for routine and preventive visits.

Walk-in hours will no longer be available as of Monday, June 19, to allow the health center to shift to same-day scheduling. Patients with questions about same-day scheduling are encouraged to contact the health center's front office staff at 207-696-3992.

###

Madison Area Health Center is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Dedicated providers deliver high quality medical and behavioral healthcare to citizens in over 80 rural communities. To ensure access for everyone, HealthReach accepts Medicare, MaineCare and major insurances. In addition, an Affordable Care Program is available to uninsured and underinsured residents as well as assistance with applications for programs that help with the cost of healthcare and medications including the Health Insurance Marketplace. A private, non-profit with a 42-year history, HealthReach is funded by patient fees, grants and individual donations.
